

Tartars Watch Opponents In Practice Games

While most of the Torrance Tartars watched from the sidelines, Narbonne's Gauchos trimmed Compton high 6 to 0 on the Compton field last Friday afternoon. The local eleven did not have a practice game scheduled and Coach Robert Barr advised his gridders to use the opportunity to get a preview of the opposition to come. Other Tartars saw Gardena lose to Cathedral high 9 to 6, at Gardena.

A pass and run which were good for 75 yards gave Narbonne the victory over Compton. Milo Roberts passed 25 yards to Gus Kroesen, who ran the remaining 60 yards for the touchdown.

San Pedro's Pirates won their first 1939 triumph when Yutaka Nakagawa snatched a third quarter Mt. Carmel pass and ran it 35 yards to a touchdown, 6 to 0. Until that time the Pirates had been pushed all over the field. The weak point in their defense appeared to be the center of the line. Tomorrow the San Pedro gridders face Venice high in another prep tussle.

Banning high school's powerful squad ran roughshod over the Bell Eagles in a practice game at Banning but were unable to push across a score, the game ending in a 0-0 tie. The Pilots traveled 282 yards to their opponents' 57, completed nine first downs to three and twice penetrated within the Bell 5-yard line but were unable to send the ball over.

Loyola Meets Stagg's Gridders Friday night

In an effort to mold a lightning bolt striking punch before Loyola's gridders celebrate the 50th anniversary of football coaching with College of Pacific's Gilmore Stadium Friday night, Oct. 6, Headman Mike Pecarovich is making two important changes in backfield and line this week.

His drastic shakeup pulled 155 pound Gene Grady out of a third string backfield combination where he was whizzing around at right halfback and placed him

Tartars Show Stuff Against Jordan Friday

Have the Torrance Tartars got a football team? The answer to that question will be revealed tomorrow afternoon when Coach Robert Barr's defending Marine league champions make their 1939 debut in a practice game against Jordan high of Los Angeles on the local gridiron.

At Least One Local Fan May See Series Game

Franklyn Krekow, Soule Steel worker, who lives at 1742 Manuel avenue, is not a man to be denied.

His friends here confidently expect he will get to see at least one of the World Series games in Cincinnati even though his application for tickets, sent weeks ago, was refused with the information that the available pastboards were "cleaned out."

Krekow left recently for the mid-west to take delivery on a new car and see the Cincinnati Reds battle the New York Yankees for the 1939 title.

"I'm going to see at least one Series game if it costs me \$30," he said when he departed.

Gauchos Point for Banning

Altho he was not entirely satisfied with the showing made last week-end by his Gauchos, Coach Bill Sloan nevertheless expected Narbonne's stock to rise in the Marine league as result of the 6 to 0 victory over Compton high school in a practice game. But Sloan, canny as ever, still persists in pointing to Banning as the team to be feared in the circuit this year.

He's keeping close tabs on the Tartars, too—and is not overlooking San Pedro but it can safely be reported that the Gauchos are running for Banning. This afternoon Coach Wayne Sloss is running the Narbonne thru another practice drill, this time with Long Beach Poly's junior varsity eleven, while Sloan is off on a scouting cruise about the district.

Another practice game is scheduled for the Gauchos on Friday afternoon, Oct. 13 and then they expect to be ready to take on San Pedro in the first Marine league game of the season, Oct. 20.

Bees Drilling Hard
Meanwhile, Coach Sloss has his hands full with his Gaucho Bees. Last week they looked good against Compton's lightweights and they are meeting El Segundo at the Oilers' field this afternoon. The Narbonne lineup has Joe Dicy, right end; Earl Guthrie, tackle; Bob Goss, right guard; Arthur Drake, center; Benny Gardner; Edward Pia, left tackle; Maurice Binkley, left end; Edward Kubow, quarterback; Keith Keon, left half; Neal Mince, right half, and Lonnie Boswan, fullback.

Members of the varsity squad who are developing into potential All-Marine League material are Ray Barra, Gus Kroesen, Capt. Driscoll, Trust, Bob Beckley, John Walker, Milo Roberts, Fada Wada and Henry Binkley.

In the starting backfield at the important post of fullback. "Perhaps our biggest job in preparing for Stagg's aerial fireworks and his conquerors of California is to continue to acquaint the players who have been shifted around this season with their new posts," Pecarovich pointed out.

Wild Ducks Said Plentiful On S. C. Lakes

Presence of large numbers of ducks on Southern California lakes and ponds so early in the fall indicates a good season ahead for local hunters from Oct. 22 to Dec. 5.

Federal waterfowl regulations set hunting hours from 7 a. m. to 4 p. m. All persons over 16 hunting migratory waterfowl in addition to regular hunting license, are required to have with them an unexpired Federal migratory bird hunting stamp validated by signature on the stamp. The cost is \$1 and it may be purchased at any postoffice.

The three-shell limit on repeating shotguns, either hand-operated or auto-loading, is continued. It is unlawful to hunt waterfowl by means of bait or the use of live duck or goose decoys, regardless of the distance between the bait or decoys and hunter. It is also illegal to use shotguns larger than 10 gauge or to hunt with bow or arrow.

While ducks are plentiful, few geese have been seen so far this year. Limits on these birds have been reduced from five to four per day, it was announced.

Giant Sunfish Caught
JERUSALEM (U.P.)—The British museum has declined the offer of a giant sunfish weighing nearly a ton, which was caught recently near Haifa.

Local Golfers Enter Tourney

A number of local golfers have already signed up for the Southern Cities Golf Championship matches to be played at Palos Verdes Country club, Oct. 9 to Nov. 5, and many more are expected to enter before the qualifying rounds start. Al Gruber, club pro, announced today.

Among those ready to enter the tourney are Wallace Post, Dr. C. L. Ingold, Joe Klink, John Oursler, Norman Dougherty, Henry Ulbright, George Probert, Dr. R. A. Bingham, B. J. Scott, Ray Sleppey and others are expected from the ranks of Columbia Steel workers.

Entrants may qualify any day from next Monday thru Oct. 16 and the first round match is scheduled from Oct. 17 to 24 inclusive. Finals in all flights will be played Nov. 5 and valuable prizes will be awarded winners.

Mountie's Uniform Stolen
LIVERPOOL, N. S. (U.P.)—Car thieves here have no respect for law and order at all. Royal Canadian Mounted Police Constable W. H. David parked his automobile before a hotel. When he returned, a suitcase containing his best dress uniform was missing.

Clouds are rarely observed at heights of more than six miles above the earth's surface.
